## INFORMED CONSENT FOR THE PATIENT

STUDY EC022018

Correlation of the change in pupillary diameter with age and anterior chamber depth after cataract surgery

I, \_\_\_\_\_  
(patient's full name)

I have read the information sheet given to me.

I have been able to ask questions about the study.

I have received enough information about the study.

I have been informed by the researcher \_\_\_\_\_

- I understand that my participation is voluntary and that the data will be collected in the conditions detailed in the Patient Information Sheet.

- According to Organic Spanish Law 15/1999 of December 13, on the Protection of Personal Data, the consent for the processing of your personal data and for its transfer is revocable. You can exercise the right of access, rectification and cancellation by contacting the investigator.

- I understand that I can withdraw from the study or anytime.
  - o Without having to give explanations.
  - o Without this having an impact on my care in the study.

- I freely give my agreement to participate in the study.
