

Independent Ethics Committee

IRCCS Humanitas Clinical Institute

Rozzano,
29/06/2023

Subject: "Preimplantation genetic testing for monogenic disease: the experience of a single center."

This Ethics Committee is hereby notified of the retrospective work with the above title.

The Principal Investigator Prof. Paolo Emanuele Levi-Setti declares that the treatment under study is part of Good Clinical Practice and that nothing is performed unless required by the normal clinical diagnostic course of the patients.

Sincerely,

A handwritten signature in black ink, appearing to read 'Paolo Emanuele Levi-Setti'. The signature is written in a cursive, flowing style with a large initial 'P'.

Paolo Emanuele Levi-Setti, MD
Humanitas Research Hospital
